

I Am Poem

I am (your name and a title that describes you, ex. Elle, Daughter of Earth)

I see (describe the things you see in the world)

I feel (what feelings do you have? What feelings stay with you?)

I wonder (what big questions do you ask yourself and think about?)

I am (use the same words as your very first line)

I try (something you are working towards or want to be)

I build (what do you create or construct? It can be something something you can touch like legos or something you can't touch like friendships)

I believe (what do you believe is true about life?)

I am (same as the first line)

I stand for (what do you stand for? What principles do you try to live by?)

I speak (what do you speak up for? When do you use your voice to change things?)

I hope (what is your wish for the future of our world? For yourself?)
