## THREE STYLES OF SERVICES EVERY SUNDAY MORNING

### AT 10:00 A.M. OUR TRADITIONAL SERVICE

offers a forward-looking, honest approach to faith, in a world with diverse religious expressions and traditions. Our preachers draw from the wisdom of the world's great religions to make their messages relevant to our times, always leaving room for personal experience and particular understandings of God. The music builds on a strong foundation of organ and congregational hymn singing, to include our many choirs, guest instrumentalists and a wide variety of styles.

### AT 11:30 A.M. OUR CONTEMPORARY SERVICE

has electric instruments and is electrifying. For those who want an energetic and embodied experience of God, it draws primarily from the Christian tradition and includes praise, as well as popular music.

### AT 11:30 A.M. OUR HUMANIST HOUR

offers a variety of speakers, poets, and professors sharing reasoned commentary relevant to life in the here and now for those who want to be part of a community that welcomes questions, enjoys conversation, and cares deeply about ethics. Jazz and other eclectic styles of music from Rick Fortner and friends makes it a celebration beyond belief.

*"Appreciation is a wonderful thing:  
It makes what is excellent in  
others belong to us as well."*

—Voltaire
