

Consider the commitment levels below and how they relate to the importance of All Souls in your life.

We encourage people to set a goal to share 5% of their income with the church.

<b>Booster</b>	All Souls is my community and I want to support it. My pledge is what I'm able to give at this time. I will increase my giving up to and beyond 2% as my income and capacity rises.
<b>Supporter</b>	All Souls is a significant part of my spiritual and intellectual life that I want to support. My pledge starts at 3% of my income and rises as my income and capacity rise.
<b>Sustainer</b>	All Souls is my central community; I am committed to sustaining the programs and ministries of my congregation. My pledge starts at 4% of my income and rises as my income and capacity rise.
<b>Visionary</b>	My commitment is a clear demonstration of the unique importance of All Souls and of my spiritual principles. My pledge starts at 5% of my income and rises as my income and capacity rise.
<b>Transformer</b>	I am deeply committed to the congregation; my contribution provides fuel for transformation and is part of my spiritual practices in living out my values. My pledge represents 10% of my income.

As you continue to grow with us, we ask you to revisit your level of commitment periodically and reassess whether it's still the right level for you or if you are ready to move to a deeper level of support.
