"The Cult of Christianity" Book Talk with Mike Williams & Moderated By Rev. Dr. Marlin Lavanhar (in person)

In his bold yet controversial new book, "The Cult of Christianity" Mike Williams takes on the religious dogmas, oral traditions, borrowed myths and outright lies that make up so much of what Christians believe. Biblical literalism, a relatively new way of interpreting the Bible, which would be completely foreign to the First Century Christians, is killing the Church. Discover the origins of Bishop Carlton Pearson's 'The Gospel of Inclusion'. Is it New Age? Is it new at all? Come and learn the answers to these questions and so much more!

End Of Life Decisions (In Person)

Join the All Souls Life Decisions Team to learn about many of the ways our community is here to help at our inevitable end of life and how a little bit of planning can make a difficult time much easier for everyone involved.
