

YOUTH SUNDAY

Into the
Unknown

APRIL 27TH, 2025

10AM- TRADITIONAL SERVICE

11:30AM- POINT HUMANIST SERVICE

Sophia Cross

I am the daughter of Brian and Tiffany Cross, sister of Sebastian Cross. I go to Charles Page High School. I have plans to attend the University of Kansas. I'm leaving the nest! I'll be experiencing so many new things and responsibilities when I head to college, but I'm excited to see what the unknown has in store for me.

Charles 'Chaz' Hall

I am the son of Sarah and Glenn Hall and the brother of Janie Hall. I attend Edison High School. I plan to study biomedical engineering on a pre-med track at the University of Oklahoma. My future is unknown, but by stepping through the doors of opportunity in front of me, I hope to discover where they lead.

Graciela 'Max' Moreno

I am the daughter of Jennifer and Carlos Moreno. I go to Edison Preparatory High School. I have plans to go to college to earn an associate degree in botany and a bachelor's degree in anthropology. I'm making the most of all my time now and taking what I've lived and learned to build a foundation of determination and curiosity for whatever comes my way in this rapidly approaching, unknown tomorrow.

Eliana Peluso- Verdend

I am the daughter of Gary and Cheri Peluso-Verdend. I go to Booker T. Washington High School. I have plans on moving abroad towards the end of the summer with my parents. I am heading into the unknown by moving to a new place where I have little experience in the language.

PROCESSIONAL:

Cool Kids by Echosmith

She sees them walking in a straight line
That's not really her style
And they all got the same heartbeat
But hers is falling behind
Nothing in this world could ever bring them down
Yeah, they're invincible
And she's just in the background
And she says
I wish that I could be like the cool kids
'Cause all the cool kids, they seem to fit in
I wish that I could be like the cool kids
Like the cool kids
He sees them talking with a big smile
But they haven't got a clue
Yeah, they're living the good life
Can't see what he is going through
They're driving fast cars
But they don't know where they're going
In the fast lane, living life without knowing
And he says

I wish that I could be like the cool kids
'Cause all the cool kids, they seem to fit in
I wish that I could be like the cool kids
Like the cool kids
I wish that I could be like the cool kids
'Cause all the cool kids, they seem to get it
I wish that I could be like the cool kids
Like the cool kids
And they said
I wish that I could be like the cool kids
'Cause all the cool kids, they seem to fit in
I wish that I could be like the cool kids
Like the cool kids
I wish that I could be like the cool kids
'Cause all the cool kids, they seem to fit in
I wish that I could be like the cool kids
Like the cool kids
I wish that I could be like the cool kids
'Cause all the cool kids, they seem to get it
I wish that I could be like the cool kids
Like the cool kids

Tree Hugger by Kimya Dawson & Antsy Pants

Flower said, "I wish I was a tree"
The tree said, "I wish I could be
A different kind of tree"
The cat wished that it was a bee
The turtle wished that it could fly
Really high into the sky

(Lyrics continued...)

Over rooftops and then dive
Deep into the sea
And in the sea there is a fish
A fish that has a secret wish
A wish to be a big cactus
With a pink flower on it
And in the sea there is a fish
A fish that has a secret wish
A wish to be a big cactus
With a pink flower on it
And the flower would be
Its offering of love to the desert
And the desert so dry and lonely
That the creatures all appreciate the effort
Et le jackalope a dit
"Je voudrais être un yeti
Pour voler dans la nuit
Et m'en aller loin d'ici"
Mais le yeti a dit
"Je voudrais être un monstre marin
Pour pouvoir rentrer dans la mer
De tous les requins"
And the rattlesnake said
"I wish I had hands so I could hug you like a man"
And then the cactus said, "But don't you understand?"
"My skin is covered with sharp spikes
That'll stab you like a thousand knives
A hug would be nice
But hug my flower with your eyes"
Till the flower said, "I wish I was a tree"
The tree said, "I wish I could be
A different kind of tree"
The cat wished that it was a bee
The turtle wished that it could fly
Really high into the sky
Over rooftops and then dive
Deep into the sea
And in the sea there is a fish
A fish that has a secret wish
A wish to be a big cactus
With a pink flower on it
And in the sea there is a fish
A fish that has a secret wish
A wish to be a big cactus
With a pink flower on it
And the flower would be
Its offering of love to the desert
And the desert so dry and lonely
That the creatures all appreciate the effort

PRAYER RESPONSE:

Remember Me From Disney's *Coco*

Remember me, though I have to say goodbye
Remember me, don't let it make you cry
For even if I'm far away, I hold you in my heart
I sing a secret song to you each night we are apart
Remember me, though I have to travel far
Remember me each time you hear a sad guitar
Know that I'm with you the only way that I can be
Until you're in my arms again
Remember me

HYMN:

Blackbird by *The Beatles*

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise
Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to be free
Blackbird, fly
Blackbird, fly
Into the light of the dark black night
Blackbird, fly
Blackbird, fly
Into the light of the dark black night
Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise
You were only waiting for this moment to arise
You were only waiting for this moment to arise

MUSIC:

All I Wanted by Paramore

Think of me when you're out, when you're out there
I'll beg you nice from my knees
And when the world treats you way too fairly
Well, it's a shame I'm a dream
All I wanted was you
All I wanted was you
I think I'll pace my apartment a few times
And fall asleep on the couch
And wake up early to black-and-white reruns
That escape from my mouth (Oh, oh)
All I wanted was you
All I wanted was you
All I wanted was you
All I wanted was you

(Lyrics continued...)

I could follow you to the beginning
Just to relive the start
And maybe then, we'd remember to slow down
At all of our favorite parts
All I wanted was you
All I wanted was you
All I wanted was you
All I wanted was you
All I wanted was you

Sha, sha-ba-da, sha-ba-da-ca, feel good
Sha, sha-ba-da, sha-ba-da-ca, feel good

Sha, sha-ba-da, sha-ba-da-ca, feel good (change, change, change)
Sha, sha-ba-da, sha-ba-da-ca, feel good
City's breaking down on a camel's back
They just have to go, 'cause they don't know wack
So while you fill the streets, it's appealing to see
You won't get out the county 'cause you're bad and free
You got a new horizon, it's ephemeral style
A melancholy town where we never smile
And all I wanna hear is the message beep
My dreams, they got a kissing 'cause I don't get sleep, no
Windmill, windmill for the land
Turn forever, hand in hand
Take it all in on your stride
It is ticking, falling down
Love forever, love is free
Let's turn forever, you and me
Windmill, windmill for the land
Is everybody in?
Laughin' gas, these hazmats, fast cats
Linin' 'em up like Brass Tacks
Play these ponies at the track
It's my chocolate attack
I'm steppin' in the heart of this here (yeah)
Care Bear rappin' in harder this year (yeah)
Watch me as I gravitate, ha-ha-ha-ha-ha
Yo, we gon' ghost town this Motown

(Lyrics continued...)

With yo' sound, you in the blink
Gon' bite the dust, can't fight with us
With yo' sound, you kill the Inc
So don't stop, get it, get it (get it)
Until you're cheddar headed
And watch the way I navigate, ha-ha-ha-ha-ha
Sha, sha-ba-da, sha-ba-da-ca, feel good
Sha, sha-ba-da, sha-ba-da-ca, feel good
Sha, sha-ba-da, sha-ba-da-ca, feel good
Sha, sha-ba-da, sha-ba-da-ca, feel good

It is ticking, falling down
Love forever, love is free
Let's turn forever, you and me
Windmill, windmill for the land
Is everybody in?
Don't stop, get it, get it (sha, sha-ba-da)
Peep how your captain's in it (sha-ba-da-ca, feel good)
Steady, watch me navigate (sha, sha-ba-da)
Ha-ha-ha-ha-ha (sha-ba-da-ca, feel good)
Don't stop, get it, get it (sha, sha-ba-da)
Peep how your captain's in it (sha-ba-da-ca, feel good)
Steady, watch me navigate (sha, sha-ba-da)

RECESSIONAL:

Sweet Disposition by The Temper Trap

Sweet disposition
Never too soon
Oh, reckless abandon
Like no one's watching you
A moment, a love
A dream, aloud
A kiss, a cry
Our rights, our wrongs
A moment, a love
A dream, aloud
A moment, a love
A dream, aloud
A moment, a love
A dream, aloud
Just stay there
'Cause I'll be coming over
And while our blood's still young
It's so young, it runs
And won't stop 'til it's over
Won't stop to surrender
Songs of desperation
I played them for you
A moment, a love
A dream, aloud
A kiss, a cry
Our rights, our wrongs
A moment, a love
A dream, aloud
A moment, a love
A dream, aloud
Stay there
'Cause I'll be coming over
And while our blood's still young
It's so young, it runs
Won't stop 'til it's over
Won't stop to surrender
Won't stop 'til it's over
Won't stop 'til it's over
Won't stop 'til it's over
Won't stop to surrender
