All Souls Kids (ASK)

The mission of All Souls Kids (ASK) is to foster the lifelong exploration of religious thought and values through programs that promote spiritual development by means of free inquiry, mutual respect, and responsible behavior.

We welcome everyone regardless of race, culture, economic status, gender identity, or sexual orientation. We call our children and youth by the name they prefer and use the pronouns they are most comfortable with. Our goal is to know and appreciate each individual person in our program.

ASK provides families with the space, time, and community to explore questions of faith. All Souls recognizes that parents and guardians are their children's primary religious educators. We encourage families to live in the questions and practice finding their own answers.

Within a three-year, repeating cycle of spiritual themes, this process happens over and over again from the earliest years through high school. We teach our toddlers they have gentle, loving hands and remind our kindergartners this is a church of the open mind, the loving heart, and the helping hands.

All Souls families live out our church covenant: “To dwell together in peace, to seek the truth in love, and to help one another,” by following our three simple peace practices:

- Be kind in word or deed
- Respect yourself, all others, and the environment
- Everyone gets to play

Because we are a church that aspires to Love Beyond Belief, ASK does not privilege any particular religious beliefs or truth claims. Instead, we present children with a wide range of stories and ideas from different cultures and traditions including Unitarian Universalist teachings and the world's religions.

We engage parents with their children's faith formation through cooperative work in the program, offering classes and discussion groups geared to supporting their role as religious educators, and providing opportunities for adults to continue to learn and grow as well.

Annual ASK Registration

Please complete the registration for each child annually.

There are no fees associated with our programs, but we do expect parents and caregivers:

Community At All Souls

Sometimes, belonging is as simple as sharing a meal, a laugh, or a cause with people who care. Our community groups bring people together across ages, interests, and life stages to form friendships that feel like family. Whether you're looking for deep conversation, lighthearted fun, or meaningful service, you'll find a place to connect here.

Wednesday Community Connections

Think of Wednesday nights at All Souls as your “third place”—a weekly space for food, friendship, and fun that’s open to everyone. You don’t have to spend the whole evening (though you’re welcome to); it’s a come-and-go, stay-for-what-you-need kind of night.

- **Dinner 5:30 PM** - On a sliding scale: \$5 helps a little, \$10 covers your meal, and \$20+ helps sustain our programs
- **Chapel 6:30 PM** - Take a midweek pause for reflection, music, and spiritual grounding
- **Classes 7:00 PM** - Free & donation-based offerings on a variety of topics & interests available in person and online!
- **Hang Out & Help** - Not feeling a class? Stay and help us with service projects
- **Childcare 6:00 - 8:30 PM** - Free for infants through 5th grade. Parents and/or caregivers must be onsite.
